PROPERTY DESCRIPTION

Welcome to 1911 Heathway Trail in Chesapeake's preferred neighborhood of Shillelagh Farms, known for stately homes, substantial acreage and a warm, family atmosphere-all within minutes of the best shopping, Grassfields High School and Great Bridge.

From the long, winding drive and fenced acreage to the sunny interior of this lovely home, the prevailing feeling is one of "welcome".

Glowing hardwood floors and beautiful interior colors are your first view upon entering. The formal living and dining rooms are coupled with an eat-in kitchen with bay-window and an oversized family room with brick fireplace and impressive built-ins-also with expansive French doors leading to the tiered deck and completely private back yard. The utility room and a full bath complete the downstairs.

The second floor offers a large master bedroom and updated master bath with separate shower and jetted tub, as well as 2 guest rooms, a large renovated guest bath and a room over the garage or 4th bedroom.

With over 2500 square feet of living space, zoned central heat and air, 2-car garage, Andersen windows, newer roof, gutters, exterior paint, garage doors and, deck, offering full fencing of 2 acres of the 3-acre lot, and being BY FAR, the lowest priced home in the neighborhood, this property is both the beautiful home and the incredible bargain you've been looking for!
