PROPERTY DESCRIPTION

Welcome to 5600 Lakewood Drive, in Norfolk's stately and preferred neighborhood of Lakewood

Situated on nearly a one-third-acre, corner lot, yet convenient to the Interstate, Naval Base and downtown, this lovely and loved brick ranch home with attached garage is a genuine pleasure to behold.

The Vermont flagstone front porch and foyer lead to a vast, open living area, and looking straight to the back of the home, which reveals a lovely sunroom with the same Vermont flagstone flooring and an expansive wall of windows which brings the outdoors in!

Offering 3 bedrooms (one of which is currently used as an additional family room) and 2.5 baths, this home also features unusually abundant and spacious closets and a walk-up attic providing full storage over the whole house.

Recent improvements are upgraded electrical and replacement windows, new gas furnace in 2007, and a new roof in 2004. Other unique features include marble sills on all the windows, a gas line to the grill and a keyed wall-safe two fireplaces (gas in the living room and wood-burning in the family room), plus multiple fenced areas for playing, pets and gardening.

An agent may call you momentarily to make sure we've given you all the details you require and, in the meantime, for interior photos and a virtual tour go to www.5600lakewood.com. <http://www.realestateshows>
